HOW TO READ THIS PROGRAM

Technical sessions are named by time block and room: S1–S2 Wednesday; S3–S4 Thursday; S5–S6 Friday the letter gives the room (A, B, C, D). For example, S3B is Thursday, 9:00–10:20, Room B.

Each paper keeps its submission code (e.g. PLA-21). The presenting author is underlined. The keynote lecture and the plenary sessions take place in the principal room.
